Title:

I solemnly declare that my Ph.D. dissertation (the "Work") is an original work and does not infringe on the rights of any other author. I hold the copyright and the moral rights to my Work.

I hereby grant to HEC Montréal, the authorization to:

- a. Index and make my Work available to users in the library;
- b. Preserve and reproduce my Work in all formats;
- c. Distribute my Work, totally or in part, by any means and in any format, as long as it is for non-profit, educational and research purposes;
- d. Send a copy of the full text of my Work to Library and Archives Canada, including abstract and subject keywords, in order to make my Work available in any Library and Archives Canada database, and in particular, on the open access portal Thesis Canada;
- e. Send a copy of the full text of my Work to Proquest, including abstract and subject keywords, in order to make my Work available in any Proquest database. I agree to send my contact information to Proquest in order to pay me royalties, where necessary, for commercial usage of my Work.
